Mark Romanowsky and Lowell Parks & Conservation Trust *present*

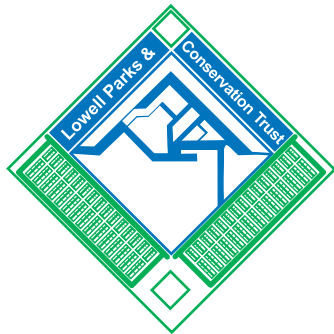

A special collection of Fine Art Prints reflecting Local Scenes within Lowell, the Surrounding Area, and the Eastern Seaboard.

The Lowell Parks & Conservation Trust (LP&CT) is pleased to offer an innovative fundraising program featuring the work of Mark Romanowsky.

Mark has generously worked over the past three years to create a series of paintings featuring the Special Places of Lowell, as well as scenes from the Surrounding Area and throughout the Eastern Seaboard, including Nova Scotia. Many of Mark's Lowell paintings feature properties protected through LP&CT's urban land protection program.

Each painting has been professionally reproduced and is being offered as a limited edition, archival print on canvas. Accompanying each print will be a Certificate of Authenticity signed and numbered by the artist.

Mark Romanowsky is a founding director of LP&CT. All proceeds from the sale of Mark's prints and note cards will benefit LP&CT.

The mission of the Lowell Parks & Conservation Trust is to improve the quality of life for the people of Lowell through the creation, conservation and preservation of parks, open spaces, and special places.
